Enrollment Application Instructions

Section 1 – Participant Information. Please provide all information requested in this section.

Section 2 – Northwest Carpenters Retirement Plan. List the name of the person (the beneficiary) who should receive your vested benefits if you die before you retire under this plan. Your spouse is the beneficiary of your preretirement death benefit under the Northwest Carpenters Retirement Plan, even if you designate a nonspouse beneficiary. If you are not married, you may designate any person (or persons) as your beneficiary. However, if you have a minor child or children and they qualify for the Primary Spouse's Benefit, your minor child or children will be the beneficiary of your preretirement death benefit, even if you designate a nonchild beneficiary. A minor child is a child under age 18, or under age 21 if a full-time student. If there is no valid beneficiary designation on file, but you are survived by a lawful spouse or by any children, whether natural, adopted, or stepchildren, then the Trustees, in their discretion, may deem the surviving spouse or children as the beneficiaries.

Section 3 – Participant's Signature. Please sign and date this form. Northwest Carpenters Trusts cannot process this form without your (the participant's) signature.
